November 26, 1963

Mr. J. E. Curry Chief of Police

> Subject: Assignment Of Officer Gerald L. Tolbert #1473 On Sunday, November 24, 1963

Sir:

At approximately 9:25 A.M. on Sunday, November 24, 1953, while working Squad 53, with M. E. Farris gib25, we reserved a call on the Eadio to contact Station 511 by telephone. M. E. Farris at this time made contact with Station 511 on the telephone and Squad 53 was advised to report to Station 511 on arrivot.

On artival at Station 511 we were advised by other officers present to stand by at Station 511 unit ingproximately 10 AM, when we would be needed to transfer Lee H. Oswall to County when we would be needed to transfer Lee H. Oswall to County the hasees not of Citym 10.10 AM. I wan ordered to report to the hasees not of Citym 10.10 AM. The stand of the hasees to the the state of the hasees to the stand by to drive squad at the north end of the haseesnot than stand by to drive squad at the north end of the haseesnot, then stand by to drive squad at the north end of the haseesnot, then stand by to drive squad at the north end of the haseesnot, then stand by to drive squad at the north end of the haseesnot, then stand by to drive squad at the north end of the haseesnot, then stand by to drive squad at the north end of the haseesnot in the stand by the drive squade state of the standard of the haseesnot then stand by the drive squade state of the standard of the haseesnot the standard of the haseesnot the standard of the standa

I was then series by Sergeant Patnam to back squad our \$1.22 into the parking area again and get three other officers to accompany so in the ear. They were M. E. Farris, D. E. Ervin, and W. E. Silbbe. After I did this, I was actised by Sergeant Patnam to check any vehicle that north resp. to dity fail Assessed and check any vehicle that the series that of the rasp while I was standing at this position care once down

At approximately 10:55 A.M. I was taken off of this position by Sergeant Putnam and was assigned to the Elm Street and Pearl Expressway to work traffio. I was told Lee Harvey Oswald was to be transferred by armored oar. A squad oar would proceed the armored oar and I was to halt traffic at my intersection until escort had oleared the intersection and then I was to proceed to the County Jail to assist with crowds at this location. I got in my squad and proceeded to my assignment. I arrived on my traffic corner at approximately 11:15 A.M. While standing at the intersection of Elm and Pearl, I observed two armored oars turn west on Elm Street from Pearl Expressway and proceed down Elm to Harwood. At approximately 11:25 A.M. a citizen stopped at the intersection and informed me that Lee Harvey Oswald had been shot in the basement of the City Hall. At this time I heard sirens and a squad oar came down Pearl Expressway, and turned west on Elm to Harwood, running Code Three. A short time later I stopped traffic
